

Certificate of Source

We hereby certify the
Douglas Fir tonewood utilized in this instrument
Oregon Wild Wood item # _____, was sourced as follows:

This Douglas fir was harvested from the mountains of SW Oregon through certified FSC (Forest Stewardship Council) members. The FSC enforces strict selection and harvest criteria, allowing for eco-friendly practices designed to protect forest health and perpetuate forest resources.

We select superior cut and quality planks, otherwise destined for the construction or furniture industries, and they're transported to our facility, air-dried and resawn into tonewood parts. To the best of our knowledge, the acquisition and harvest of this item was in compliance with all applicable laws.
