

Certificate of Source

We hereby certify the
Rock Maple tonewood utilized in this instrument
Oregon Wild Wood item # _____, was sourced as follows:

This Birdseye Rock Maple, also known as Sugar Maple, was originally harvested in N. Michigan in the 1980's, then transported to the high desert in central Oregon, where it air dried for 20 years. We purchased this beautiful wood, transported it to our shop and converted it into tonewood components. To the best of our knowledge, the acquisition and harvest of this item was in compliance with all applicable laws.
